

Electronic Connectors for Commercial / Industrial Use Standard and Specialty Electronic Connector Manufacturer & Supplier

Keltron is a connector manufacturer and supplier of high **quality, competitively priced**, electronic connectors for commercial / industrial use:

- Circuit Board Electronic Connectors
- Board-In Connector, Board to Board Connectors
- Circuit Board Spacers
- Center Sockets
- Centronics Connectors
- D-SUB Connectors, Connector Pins
- DIP Connectors
- Edge Card Connectors
- Fiber Optic Connectors
- Gender Adapters
- Headers
- Hoods
- Housings/Boots
- IDC Connectors
- IEEE 1394 Connectors
- IC Sockets
- Micro-Match Miniature Connectors
- Mini Jumpers
- Mini DIN & DIN Connectors
- Modular Adapter Kits
- Modular Phone Plug and Boots
- Modular Phone Jack
- PCB Connectors
- PCB Socket
- PLCC Socket-Through Hole & Surface Mount Connectors
- Power SIMM Smart Card Connectors
- SIMM/DIMM Sockets
- Terminal Block Connectors
- Crimping, Cutting tools

- USB & Mini USB Connectors
- Wire to Board Connectors
- Wire to Wire
- ZIF FPC Connectors
- 2 in 1 Connectors

We also manufacture and provide a broad range of **Datacomm Products** such as:

- Keystone Jacks
- Modular Wiring Adapters
- Patch Panels
- 19" Racks & Accessories
- Flush Plates
- Surface Mounted Boxes
- Inline Couplers
- Computer and LAN Cables

Our broad product offering is coupled with state of the art **Research & Development** and a management and engineering team committed to innovation and technological advancement. We deliver USA quality & service at offshore prices that represent, quite possibly....

"The most important connection you'll ever make."

All Keltron staff are trained to answer any questions you may have.
Please give us a call at **1-800-346-3532** or
Request a Quote and let us demonstrate what Keltron can do for you.
